what our system says - you
don't own it...WE DO!

Our Inspection Highlights – Consistency Guaranteed!

Easy to Understand Numeric Rating Scale

For consistency and ease of use we offer ratings between 0.0 and 5.0
to accurately depict each vehicle's real condition.

Expertly Trained Staff

Dedicated ABS team members are expertly trained and managed by a qualified and
experienced vehicle inspector to insure quality and consistency in our inspections.

High-Resolution Photos

A minimum of 10 high quality photos are available for every vehicle to help you
inspect what you expect!

Thorough Inspections

Each vehicle is inspected on 52 different points in eight different categories
to insure our highest quality report.
